Subject: FW: MOU

Tony,

See the response below that addresses your question concerning the MOU. Each partner will sign the document at the same time (date). I am waiting to hear from LaCrystal to determine what the signature date will be. I will keep you informed. Thank you.

Subject: RE: MOU

Hey, Pamela. I apologize for my delay in responding.

In WIOA, under the roles and responsibilities of a required one-stop partner, it indicates that such required partners "shall use a portion of the funds available for the program and activities to maintain the one-stop delivery system, including payment of the infrastructure costs of one-stop centers . . ." (WIOA, Section 121(b)(1)(A)(ii)). During Phase II of the State Partner MOU, partners will discuss and determine potential methodology for "a proportionate share of benefit received," while bearing in mind that such costs are ultimately decided and agreed upon at the local level between the partner and the local workforce investment board (LWIB). In the local level MOUs, the LWIB and one-stop partners can determine if contributions towards the operational costs of the SC Works Centers is "through cash and in-kind contributions (fairly evaluated) . . ." (WIOA, Section 121(c)(2)(A)(ii)(I).

Please let me know if you need any additional information.

Thank you,

LaCrystal,

Tony is taking a final look at the MOU, he plans to sign the agreement. I will forward it tomorrow. He has been in meetings all day. Thanks.
