Yes, this is the last appointment that needs to be made before the Committee can begin its work. If Lt. Governor McMaster did not do so before becoming the Governor, then Lt. Governor Bryant will need to make the appointment in his capacity as President of the Senate.

Dan, please forgive my tardy attention to this. Is this waiting upon the Lt. Governor to make his appointment?

I just wanted to make sure it was still pending. The Speaker of the House has already made his appointments to the Committee.
