Just following up -- what's the best way to get the ball rolling on the communications plan? Thanks!

Thanks, Grey.

Now that it's the New Year I think it's important that we build on this to develop an interagency communications plan. Should Grey call Barbara to schedule and kick this off?

I also understand we are waiting for several of the training provider MOUs so we can finish the DEW and DSS MOU. What is the best way to get those?

Debra, I understand that you are coming back to visit with us tomorrow on the programmatic logistics. Thank you for that and for all of your great work on this.

Thanks, all.

Thank you, Amber.

Does it explain the purpose of the extension request? Do you mind sending us a copy?

Waiver is ready and will be sent to FNS tomorrow morning. I gave them a heads up last week.

Team DSS and DEW,

Gov. Haley has decided that, at this point, a three (3) month extension to the waiver is the best policy to ensure success with both DEW taking over management of the E&T program, and DSS transitioning to ABAWD tracking without a waiver. We would appreciate if the purpose of the waiver was spelled out in the waiver request, that being providing time for the E&T transition and DSS ABAWD tracking.

Thank you for all the work y'all have done to date, and for all the work y'all will continue to do as we move to a waiver-free program starting April 1, 2015.

Please do not hesitate to reach out with any questions. Have a Happy Thanksgiving.
