Christian, Josh, and Ted,

Good afternoon. While I am sure you are inundated with folks sending you information regarding the budget, I wanted to send to you in summary form those items that were included for Clemson University in H.3710 and H. 3711. This two pager shows those items included for both Clemson's E&G budget and Clemson's PSA budget. While I know it goes without saying, each of these items are extremely important to Clemson and there is commitment to bringing value to the state with each of these priorities.

On another note, please share with the Governor our thanks for her comments at the last Budget and Control Board meeting with respect to facilities and her thoughts on those projects that are privately funded. Please know how much we appreciate her perspective on that issue.

Please feel free to email me or Kathy Coleman or call either of us at 803.331.0578 (Angie) or 803.331.1297 (Kathy) should you have any questions and as you contemplate vetoes.

Warm regards, Angie
