Message:

Governor Haley, we have lost retired wing command chief master sergeant Terry D Wingard of the 169th Fighter Wing of the South Carolina Air National Guard (SCANG). He retired with 40 years of dedicated service. The message below is written by his loving family. I am not sure if it appropriate for your office to recognize him and his family with a letter From you but if you can it would be much appreciated. Caughman-Harman Funeral Home in Lexington is in charge of his service.

Warmest regards,
Robert L Storey

Dear family and friends,

After suffering from another massive stroke yesterday, our sweet Daddy passed away peacefully at 3:00am this morning surrounded by his family at MUSC in Charleston. We have finally returned to Lexington and will soon be making visitation and funeral arrangements for later this week.

Please feel free to drop in to visit the family at their home at 367 Barr Road, Lexington, SC. Thank you all for the amazing love you've shared with us and Daddy through this most difficult time. We are blessed to have your arms surrounding us.

Please feel free to share this information with others who knew Terry. We know he has touched so many people in his life and it's important to us to reach them all!

Sincerely,

The Wingard Family
