Carol,

I agree. I think the Committee will be beneficial for Aging programs. It will give us a chance to give more detailed information to both the Senate and House.

Thanks for the resume.

Tony

Subject: Joint Legislative Committee Meeting

Good afternoon Tony. We were very pleased with the outcome of today's meeting of the Joint Legislative Committee to Study Services, Programs and Facilities for Aging. The members seemed to be engaged and surprisingly enthusiastic about getting the S 764 through the process on the fast tract. We were also amazed at the number of interested individuals that attended the meeting. All in all : a successful morning!

I am attaching the resume of the person hired to be the Assistant to Maria Patton who will be focusing on recruitment and training of volunteer GALs. Carol
