**scstateparks** It's almost time for the lilies to be in full bloom at Landsford Canal State Park! Landsford Canal State Park is home to the world's largest population of Rocky Shoals Spider Lilies. These beautiful flowers bloom each year along the Catawba River and can be viewed from the park from May through mid-June. A 1.5-mile, round trip hike down the Canal Trail takes you to an overlook where the spider lilies can be best viewed. Visit the link in our bio to check for updates on how far along the blooms are. Don't miss them in 2021. 📷: @oedtravel

**shealyreibold** Just letting people know to be careful in that area. There's a guy on a serial crime spree who is armed and dangerous and still on the loose.
