Grant funds can be used for state and local initiatives, technical assistance, training, personnel, equipment, supplies, contractual support, and information systems for criminal justice, including for any one or more of the following program areas: 1) law enforcement programs; 2) prosecution and court programs; 3) prevention and education programs; 4) corrections and community corrections programs; 5) drug treatment and enforcement programs; 6) planning, evaluation, and technology improvement programs; and 7) crime victim and witness programs (other than compensation).

This Fiscal Year 2014 JAG award will be used to purchase upgraded radio software for patrol officers. The goal of the project is to permit a high degree of equipment interoperability and compatibility within the state and increase essential law enforcement services. NCA/NCF
