Hello Holly.

It was a pleasure to meet with you, Austin and Josh this morning. My team and I are looking forward to working with you to support our state's recovery. I have shared our partnership with the Governor's offices with my board chair, Bruce Hughes, but will not share the news with anyone outside of my staff until the Governor decides how she would like to announce it.

I have attached our revised RFP and the supporting documents you requested this morning: the grant application and final report. Both are in draft form and can be revised. The RFP and application will be available on our website on Monday, November 2. The information will remain the same but the format will be adapted to fit our online application page.

If you have any questions regarding the documents or the process, please call me.

Thank you again for the opportunity to work with your team. Together, we will make a difference!

Regards,

*JoAnn Turnquist*
