Dear Mr. Rogers:

I am writing to request a nomination to represent the South Carolina Home Care Association on the statewide Advisory Council for the Alzheimer's Resource Coordination Center (ARCC). The ARCC was created pursuant to Article 3, Section 44-36-310 of the South Carolina Code of Laws, to improve the quality of life for persons with Alzheimer's disease and related disorders, their families and caregivers through planning, education, coordination, advocacy, service system development and communication. Our administration has changed, as has our legislation (Section 44-36-330, as amended), which now calls for the ARCC to be supported by an advisory council appointed by the Lieutenant Governor, to include a representative from the South Carolina Home Care Association. Please provide a resume or curriculum vita for the individual placed in nomination as soon as possible.

The Advisory Council serves an important role in coordination of services and in development of recommendations regarding public policies related to Alzheimer's disease. If you have any questions please contact Anne Wolf at (803) 734-9919.

Sincerely,

A handwritten signature in black ink, appearing to read "Tony Kester".

Tony Kester
Director
