at 12:15:04 on 10/06/2021 UTC

We dig colonial history! Join us on Saturday, October 16, at Charles Towne Landing State Historic Site to learn about archaeology at the birthplace of South Carolina! Visitors can tour our excavations of several 1670s era buildings, explore new exhibits, and speak to the park archaeologist and interpreters to learn more about life in the early colony. Free with park admission, weather permitting event hours are 10am to 4pm. Visit our website for more details:
