Subject: Limited-Time Offer from Royal Caribbean!

Dear Mr. Kester,

I'm sending my newsletter a little early this week because I wanted to let you know that we have arranged a **terrific limited-time offer with Royal Caribbean**, one of the world's most popular cruise lines.

For only a few days, **Royal Caribbean** is offering Vacations To Go customers incredible discounts of up to 75%, reduced deposits and exclusive shipboard credits of up to \$425 per cabin on nearly every sailing from now through 2017. To take advantage of this fantastic promotion, you must **book between Saturday, June 13 and Wednesday, June 17**. [Click here](#) for dates and prices.

We've also negotiated **money-saving offers with Norwegian, Seabourn, Windstar and Pullmantur**. A few of our offers this week, including the Royal Caribbean deal above, provide free shipboard credits -- these are as good as cash on the ship and can be used toward onboard purchases not covered in the cruise fare, like shore excursions, bar purchases and spa treatments.

Norwegian is offering our customers big discounts -- save up to 81%. Book an ocean-view cabin or higher and choose one of the following free amenities: 1) the Ultimate Beverage Package for two (valued at \$54 per person, per day), 2) the Ultimate Dining Package for two (includes unlimited dining at most specialty restaurants), 3) 250 minutes of Internet access or 4) a shore excursion credit of \$75 per cabin, per port (for a maximum of four ports, starting and ending ports not included). [Click here](#) for dates and prices.

Seabourn is offering Vacations To Go customers fantastic savings, with discounts of up to 84% off fares that include open bars, fine wines at lunch and dinner and gratuities. As a bonus, select voyages qualify for shipboard credits of up to \$750 per cabin. [Click here](#) for dates and prices.

Windstar is offering our customers exclusive rates, with savings of up to 82%. **Book by June 22**. Its three masted sailing ships and three power yachts offer a casually elegant onboard experience. All Windstar voyages now feature a complimentary onshore "Private Event" that provides a unique introduction to the destination. For example, in Tahiti, guests are treated to a private feast on the beach of a small, pristine islet called a motu, followed by a traditional Polynesian fire-dancing performance. Pullmantur, which caters to Spanish-speaking travelers, is offering Vacations To Go customers rates as low as \$299 per person on peak summer Caribbean sailings from Mexico. Plus, on certain sailings our customers will receive a free beverage package, which includes select alcoholic and nonalcoholic beverages on board. [Click here](#) for dates and prices.

As always, these offers are for new bookings only and subject to availability. Restrictions may apply.

Uniworld Boutique River Cruises still has availability on its popular 2015 river cruise vacations in Europe, including itineraries in France, Italy, Germany and Austria, and holiday sailings as well. The company is offering Vacations To Go customers fantastic promotions on departures this year and in 2016 aboard its distinctive, beautifully designed ships.

For example, on select remaining **2015** departures in Europe, save \$1,700 to \$2,700 per couple (\$850 to \$1,350 per person) when you book economy air and select river cruises, or save \$2,700 to \$3,700 per couple (\$1,350 to \$1,850 per person) when you book business-class air along with your cruise. **Book and pay in full by June 26**. [Click here](#) for dates and prices.

Or take advantage of this early booking deal for **2016** travel: Fly from \$899 per person from select gateways,

plus save \$800 to \$1,800 per couple (\$400 to \$900 per person) off Europe river cruises. **Book and pay in full by June 26.** [Click here](#) for dates and prices.

Unlimited beverages on board -- including wines, beers, spirits, juices, mineral water and more -- and all gratuities on the ship and ashore are covered in the upfront price of a Uniworld vacation in Europe (excluding Russia sailings). Also included are all meals on board, scheduled airport transfers, shore excursions hosted by English-speaking local experts, Internet and Wi-Fi access on the vessel, entertainment and cultural enrichment programs on the ship and much more.

If you're thinking of taking a cruise and traveling solo, you probably already know that cruise lines charge an extra fee for an individual booking a cabin intended for two. Typically, the cruise line starts with the per-person rate based on double occupancy and adds 50% to 100% to the price for a single traveler -- the dreaded single supplement.

The good news? Vacations To Go has found or negotiated low or no single supplements on hundreds of prime cruise departures. These great solo deals are updated daily and listed on our site. [Click here](#) to see our **Singles Discounts** ticker now.

Speaking of solo cruising, we've added the fares for single travelers to many of our FastDeals, where available. When you click on a FastDeal, look for this line: "Click for additional rates: Singles Rates."

Azamara will dry-dock its two 686-passenger ships early next year for it calls "complete makeovers." Azamara Journey will undergo refurbishments in January, and sister ship Azamara Quest will receive its face-lift in April.

Public spaces, dining venues, spas and all staterooms and suites will be upgraded. A new, open-air Pan-Asian restaurant -- incorporating Chinese, Japanese, Thai and Korean cuisines -- will be added to the ship's culinary offerings.

Azamara emphasizes destination immersion on its voyages, with longer stays and more overnights in ports. [Click here](#) to view its itineraries, along with rates and departure dates.

In my newsletter on small-ship cruising earlier this month, I mentioned that **Star Clippers** plans to build a new vessel, its first new-build in 15 years. Here are a few more details about that ship.

Like others in the fleet, it will be a masted sailing ship -- specifically, a five-masted, square rigged barque. Carrying 300 passengers and powered by more than 6,350 square meters of sails, the new addition will be the largest ship of its kind.

All of Star Clippers' ships are modeled on famed vessels of the past. The new ship will be based on the France II, a cargo carrier built in 1911 and the second-largest commercial sailing ship ever built. It also had a handful of luxury passenger cabins; among the amenities available for travelers were a darkroom, library and "seawater therapy treatment."

Its modern-day counterpart -- scheduled to launch in the second half of 2017 -- will include 34 balcony suites in its accommodations and will sport a water-sports platform.
