Re: Eagle Scout Recognition

Dear Governor Haley,

My name is Zachary Kontenakos of Troop 502 on the Isle of Palms, South Carolina, which is part of the Coastal Carolina Council. I have completed the requirements for Eagle Scout, and have been found worthy by the Eagle Scout Board of Review to receive the highest honor in the Boy Scouts of America, of Eagle Scout on December 1, 2015.

One of the requirements was to organize and execute a community service project. My Eagle Scout project was to build a concrete walkway at a local elementary school, connecting the school to the outdoor classroom. This allows students with physical disabilities to access the outdoor educational area.

In the near future I will be having my Eagle Scout Court of Honor. Would you please be so kind to send a letter of recognition and/or any other item, to recognize my achievement of the Eagle Scout rank? This will be displayed at my ceremony, and will serve as a permanent reminder of the importance of this achievement. I would be proud to receive an acknowledgement from you.

Thank you for taking time out of your extremely busy schedule to acknowledge my achievement.

Best regards,
