I've circulated a one-pager to Austin and Josh for their additions. I'll send it to you as soon as I receive their feedback. CCCF is willing to participate in a press conference if that's the way we go. There as talk about waiting to appoint grant committee members to have them stand with the Governor at a press conference. Thoughts on waiting until we can secure those members?

Wanted to check to make sure we are all on the same page about the interest in doing a news conference on Monday or Tuesday.

Holly – what's the proper name of the fund we're talking about setting up?

Chaney and Brian will let the group know about specific needs for a news conference – but I think Chaney has already mentioned needing a backgrounder.

Swati – this is a news conference we'd do before the small business event we've talked about.
