No worries.

Do you think it's possible to have someone from DHEC to attend this meeting to answer questions regarding dams?  
Let's try to connect after the Governor's presser.

Hi Katherine and Rob –

I sure hope both of you got some well- deserved rest this weekend. Lots of work for the future but hopefully we are out of the safety and life preservation stage. A couple of things – Beth and I would like to send out the notice below to the media. We want to make sure we get a nice crowd. U guys ok with this?

Also, Katherine, can you please try and get folks from SCDOI and SCDHEC (dam inspection unit) to the meeting. By the way, I was out in the neighborhoods today and ran into a couple of guys from DHEC inspecting one of the dams. This is really gonna be a huge issue moving forward as we have 6-8 dams in my district that will need repair and we are really hoping the Federal relief funds will pay 75% of the cost.

Let me know and thanks –

Joel
