Governor Nikki Haley  
Office of the Governor  
1205 Pendleton Street  
Columbia, South Carolina 29201

Dear Governor Haley:

I have been following South Carolina politics since my daughter attended and graduated from the College of Charleston.

I just wanted to commend your actions with the Confederate flag controversy and its resolution and your recent speech after the State of the Union. Both were handled with grace and obvious political skill.

I hope to attend the GOP Convention in Cleveland and hopefully we may bump into each other. If you bring some SC BBQ, that would be a bonus.

Please accept my best wishes for future endeavors this year.

Very truly yours,
