Dear Val:

In case you haven't seen them, I have attached the motion for a preliminary injunction and the Plaintiffs' moving brief in *Summers v. Adams*, which were filed yesterday.

It is awfully late to be filing a motion.

As for the design, I am going to re-send you the email I sent on October 30, as you may not have received it.

Since that date, we received 452 orders and then shut off the order page until it is time to issue the plate and take more orders.

FYI: I just heard from Ayesha Khan, Esq. (@ Americans United for Separation of Church and State), that the Plaintiffs plan to file a preliminary injunction motion later this week.

Any progress on finalizing the plate design?
