Hi Amy,

We have our back-up US & SC flags available if you would like to use ours!

Also, following up from yesterday's email:

- ☐ For drink containers, we only have one "duo" container. (see attached pic)
- ☐ For glass vases, we have (10) 7" tall cylinder containers (see attached pic). We could use those for the tables of 4 outside, then use our bud vases for the high tops if you'd like!
- ☐ We have two projectors: a Sharp XR 32X, Viewsonic Pro 8200. Please feel free to consult with your projector guru, ours are yours if you'd like! Otherwise, I will not be offended if you decide to rent from PSAV 😊
- ☐ Still waiting to hear regarding cigar bands and will keep you posted.

Talk to you soon!

Amanda – quick question ... did we decide that you all DO or DO NOT have a US and SC flag?
