Kevin,

I was reaching out regarding our conversation last Friday at the seminar. I am in receipt of a letter from Dr. David Knecht, the VP of strategic planning from AETNA. This is maybe the opportunity to get their compliance Attorney's General original demand. I was wondering what are your thoughts on response to their letter and possibly might not need legislative push! I would like to get your advice of a response to them. Let me know when you have a few minutes to talk and I will check my schedule. Looking forward to hearing back.

Thank you
Dr. Kriegel
