Meet
Emily & Adam

- How did you and your partner meet?
We met in college at USC. Our first date was at Crab Beans, right across from the Horsholye, which is Emily's favorite place in Columbia.
- When did you get engaged?
We got engaged on February 8, 2019 in a helicopter over Downtown Charleston.
- What is something you love doing together?
We really enjoy cooking together, and taking walks by the river with our 20 foot boatman.
