"It is an understatement to say that we have loved every moment of our 6 1/2 years in the Midlands. We are just grateful that even though we are moving;

we are close and will have the opportunity to support the new officers who will be coming. It has been a blessed time in Columbia and we are truly thankful for the many special relationships with the people here." Major Roger Coulson.

About The Salvation Army

The Salvation Army, an evangelical part of the universal Christian church established in 1865, has been supporting those in need in His name without discrimination for 130 years in the United States. Nearly 30 million Americans receive assistance from The Salvation Army each year through the broadest array of social services that range from providing food for the hungry, relief for disaster victims, assistance for the disabled, outreach to the elderly and ill, clothing and shelter to the homeless and opportunities for underprivileged children. 82 cents of every dollar spent is used to support those services in 5,000 communities nationwide.
