Subject: Re: Press relase check?

Have you sent out one about Newberry being declared? Saw the one about DRCs opening.

When we hit the \$20 million mark in direct aid, that should definitely come from you.

We're getting information on mold safety... Not terribly exciting so probably best to be a SERT NR. Also working with DOI and Consumer affairs on a 'buying flooded cars danger' release.

Hannah?

What press releases are on the horizon?

- 1) Press releases to go out from the office of the governor? Time we should expect to see approved and finalized drafts ready to go?
- 2) Other press releases?
