Subject: Thanks

As I'm finishing up my time working for our state, I wanted to take a second to reflect on the past two years and thank you for the influence that you've had on this chapter in my life. I certainly have an enhanced amount of respect for folks like yourself who serve South Carolina in one way or another and wanted to thank you for helping me in my efforts to do the same.

While my official tour of duty is complete, I do hope to find ways to continue contributing to Governor Sanford's efforts to bring significant changes to our state. Please know that as I do so, I'll continue to respect the role you play in that process and admire your involvement in the public arena. I know that I am a better person for having known you and believe our state to be better for your contributions. For that, and for your kindness, help and patience over the past two years, I thank you profusely.

Please don't hesitate to contact me if I can ever be of assistance to you in the future.

Cordially,

Chad Walldorf
