Subject: Request for weekender

Hey Chaney,

I wanted to review my initial request for the weekend story on Haley's preparations for ambassador.

1. A list of the countries Haley has been to in her official capacity of governor.
2. Does the governor, in her role as governor, have a security clearance?
3. What can you tell me - officially - that Haley is doing to prepare for her new role.

Call me with questions.

Thanks,

Cassie Cope
