Older Americans Month 2015 Materials Now Available

ACL has published outreach materials to support communities celebrating Older Americans Month this May. The 2015 observance theme, “Get into the Act,” honors the 50th anniversary of the Older Americans Act and emphasizes older adults taking charge of their health and getting engaged in their communities. The available materials include a poster series (select one or use them all!), sample social media, event ideas, document templates, and more. To join ACL in recognizing older adults for their contributions to the nation, visit the [Older Americans Month section](#) of the ACL website.

Look for future announcements regarding materials designed specifically to help you celebrate the **Older Americans Act** anniversary.
