**DHEC – Mt. Pleasant Deep Water Dock Permitting Issue**

Rick Medlin, CEO of Fruit of the Loom, contacted our office to make us aware of a dispute between DHEC and members of his Mt. Pleasant neighborhood regarding the permitting process for a deep water dock. We have contacted DHEC staff who admitted they did not follow proper notification standards. DHEC has remedied their error and has sent notification, including the opportunity for appeal, to the affected individuals. DHEC will keep us up to date on the situation.
