#WildlifeWednesday If you've been at one of our parks, you've seen a wood duck box. These are put in our parks to help these birds nest. Watch as Ranger Scott lets us see inside a wood duck box! You'll even get to see some babies as they leave the nest and go off on their own!

Jenny McMillan Thanks! I had a pair of wood ducks in the creek behind our house several weeks back. They may have nested somewhere along the creek!
