FALL COLOR UPDATES! It's Wednesday, which means that it's time for the weekly fall color update from Table Rock. Check out what's happening with color change and plan your trip accordingly! The color hasn't peaked, but the weather is absolutely gorgeous!

Fall Foliage Updates: South Carolina State Parks

Scott's home is Table Rock State Park located on Scenic Highway 11, so he will have a front row seat to nature's show of colors.
