Dear Mrs. Nikki Haley,

Hi!
My name is Andrew. I'm
in 4th grade and I like science
because I like to make paper
airplanes and see how far
they can go and I like to
play playstation 4 and play
Destiny and Minecraft and watch
movies.

Before I wrote you I did
some research and learned some
pretty interesting facts about the large
city of Columbia:

To help me continue my
learning, I politely request
that you please send me:

- A return letter
- A photograph of yourself
- Brochures relating to your state
- A map or poster

and/or any other information/
materials that you feel will enhance
my learning.

Thank you for taking
the time to read and respond
to my letter, it really means
a lot to me that you value my
education.

Sincerely

Andrew
