Lane Closures on US Highway 21 in Chester County Beginning Monday, March 28

The South Carolina Department of Transportation (SCDOT) advises motorists of lane closures planned along a 1.6-mile portion of US Highway 21 in Chester County for a resurfacing project.

Beginning at 6 p.m. Monday, March 28, around the clock lane closures will be in effect from Wylies Mill Road to Landsford Road. Work will start on the southbound section and then switch to the northbound section.

The project is expected to last approximately one month, weather permitting. Motorists are advised to expect delays.

The SCDOT Chester Construction office is managing the project. For more information, contact Jeremiah Bradley at (803) 581-8008

Lynches River Contracting Inc., of Pageland, is the contractor.
