

April 15, 2015

Dear Records Officer,

Pursuant to the South Carolina open records law, I request access to and a copy of all email correspondence that pertain to the use of the term "climate change" and/or "global warming."

The scope of this request includes Governor Nikki R. Haley, chief of staff and all communications staff in Governor Haley's office. The search for records may be limited to January 2014 to the present.

Please note that this request includes all emails sent or received on official state email accounts, as well as any other email accounts that have been used for official business. Please exclude all constituent mail regarding this subject.

The Center for Media & Democracy is a non-profit public-interest organization, and the disclosure of the materials requested here would be in the public interest, greatly benefiting public understanding of the workings of government. As such a waiver of any fees is requested. If the waiver is not granted, we agree to pay any reasonable copying and postage fees of not more than \$20. If the cost would be greater than this amount, please notify us.

Please provide a receipt indicating the charges for each document.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act.

Thank you for your assistance.

Sincerely,

Jamie Corey
