Subject: Active Shooter Response Walkthrough

Lt. Creswell,

BPS will be conducting a walkthrough exercise for our active shooter response on Sunday, November 19th 1400-1600hrs. We may fire a few blank rounds inside of the State House if it is not occupied but we will ultimately make that decision on that day. I would appreciate it if you could pass along to the Governor and Lt. Governor's staff that we will be conducting training during this time. If there are any questions or concerns, please let me know.

Thanks,
Lieutenant Shawn T. Crosby
