Dear Gabriel,

Thank you for sending your Flat Stanley to visit me in Columbia. Stanley and I had a great time touring the Statehouse and Governor's Mansion.

I have two children, Rena (16) and Nalin (13). My husband, Michael, and I live with our kids in the Governor's Mansion. We have a dog, two frogs, and a goldfish. As you know, South Carolina is a wonderful place to live. Keep up the good work! God bless.

My very best,

A handwritten signature in cursive script that reads "Nikki".
