Attachments: Report to the President of the United States from the Task Force on Agri....pdf

Good Morning,

In advance of the President's address later today at the American Farm Bureau Federation Convention, I wanted to send you the full report to the President from the Task Force on Agriculture & Rural Prosperity.

With the voice of rural America leading the way, and in close collaboration with local, state, and tribal leaders, more than 21 federal agencies, offices, and executive departments identified over 100 actions the federal government should consider undertaking to achieve this vision.

The Task Force on Agriculture & Rural Prosperity identified five key indicators of rural prosperity:

- e-Connectivity for Rural America
- Improving Quality of Life
- Supporting Rural Workforce
- Harnessing Technological Innovation
- Economic Development

A link to the report is available here: <https://www.usda.gov/ruralprosperity/>.

Let us know if you have any questions.

Thanks,
Nic
