Hi Katherine,

I apologize for the delay in responding but I am traveling all this week for work. I am very glad to be invited to speak to the governor on some ideas I have on educational reform. I have been in education for 20 years and I have worked in many school districts throughout SC. I would like to provide some insights on what I have seen not only locally, but nationally, and internationally in order to help mind-shift our state educators and leaders in a new direction. Do you have any idea of the time frame for our meeting? Again, I am very anxious to speak to Governor Haley and I appreciate you reaching out to me. Thank you!

Sincerely,

Wendy Gallagher

Wendy,

It was a pleasure speaking with you last week. I have passed along your contact information to Rachel Card who is running point on the governor's education reform package. She is very interested in meeting with you to discuss your ideas. Please let me know if you need anything else.

Please confirm you have received this email.

Thank you,

Katherine
