Josh,

My proposed response follows below in red:

The Governor of South Carolina has indicated her continued support for the refugee resettlement program subject to the conditions identified in her attached letter to Secretary of State John Kerry. The South Carolina Department of Social Services will follow the directives of the state and Governor in the implementation of the Refugee Resettlement Program in 2016.

If you have any questions, please call me at (803) 898-8030.

All the best,

Karen

Good morning,

Please see the information requested by ORR.

LSC has proposed an increase of 20 additional arrivals in FY2016. World Relief numbers will not be increased. The FY2016 total projections for SC would now be 336. Does the State concur with the proposed increase?

Please let me know how to respond to this request.

Thanks,
