Nikki Haley on WJBF (ABC) - Augusta, GA

03/30/2015 23:07:17

WJBF News Channel 6 at 11 (News)

... south carolina is looking into new ways to how to improve education tonight. governor nikki haley toured the east aiken school of arts today to see how an arts integrated curriculum is transforming student achievement. the tour is a piece of the process to see what's making a difference when it comes to academic success. "when you look at the integration of arts and how it's helping them learn, these kids aren't learning all day, they are having fun all day, they ...
