Subject: FoxNews.com- South Carolina Founding Principles Act

Good afternoon Ms. Adams,

My name is Michelle Leibowitz and I'm a reporter for FoxNews.com. I just spoke with you over the phone about the South Carolina Founding Principles Act that the governor signed about a month ago. I just have a few brief questions, listed below.

1. Why did the governor feel that this curriculum change was important?
2. How does this revised curriculum change the current curriculum?
3. Some critics are wondering why a law had to be enacted in order to ensure students learn about such core historical concepts. What is the governor's thoughts on why a law was necessary?

Thanks so much for your help. I have a tight deadline for this story, so if you could get back to me as soon as you can, it would be greatly appreciated.

Best,

Michelle Leibowitz
