I am not sure. Have you tried to contact the park today?

Hello! We are on our way to Paris mountain state park (we have a camping reservation). We will arrive this evening between 7:30 and 8pm. Will we need a code to get into the park?

I have, but I didn't call them in time. They closed at 5pm.

I am not sure what their after hour policy is. There may be directions at the gate when you arrive or check your email reservation confirmation.

The emails says we should call but I think the phones are off the hook because I keep getting a busy signal.

Is there another number maybe? Like for a ranger or campground host?
