Ms.Veldran ,

May I request you to put up the letter below for the attention of the Governor.

Sincere thanks .

Dear Governor Haley ,

I hope you had a good visit to India and a safe trip back home for a lovely Thanksgiving with your family .

On behalf of the CII and personally ,may I say that we were delighted to host you and your delegation .We are very impressed at growth model of South Carolina and the wonderful work you have done in the last few years for the inclusive economic development of your state .

I find that there is a lot of synergy and similarities between your economy and that of South India .

Areas where we can work together could be :

Auto Industry and the supplier chain .

Aero Space and Defence

Downstream industries in the Carbon Fibre space

Skills development .

As the SMEs play a very important role in these sectors ,may I suggest a South Carolina- CII ,

Southern Region SME Forum which can work on win-win partnerships between our SMEs .

In conclusion ,may I add that we were very touched with you emotional connect to India and your desire to work with Indian Companies .

With warm regards ,

Sincerely ,

TT Ashok ,

Co-Chairman ,

CII National MSME Council .
