

Dear Government, I would like to kindly ask if you could put a sidewalk from our neighborhood to our school. My neighborhood is called Fox hunt Lane. I live in Greer SC. My zip code is: 29651. You can call me at: 864-611-8009 or 864-611-8030. My name is ^{moms} Elizabeth Markwell and I am in 3rd grade going into fourth grade. We would want a sidewalk from our neighborhood to our school because it saves the earth by not using cars to get to school. It also can give you good exercise by riding your bike to school. By the way, it's only one mile there and one mile back. My school's name is Oakview Elementary and it stands near Godfrey road. If you go to my neighborhood's entrance and turn right and then turn left, and then turn right again, you will be there. I have my hopes up high that we will get a sidewalk.

Love,

Elizabeth Markwell
