Subject: University of South Carolina Recommendation Request

Dear Mr. Bryant,

Sydney Torbett has requested that you complete an online evaluation form in support of an application to the University of South Carolina.

The University of South Carolina accepts recommendations/evaluations from high school counselors for all freshman applicants.

If you are not a high school/college counselor, please note the University of South Carolina will only review non-counselor recommendations/evaluations for students applying to the [South Carolina Honors College](#). Therefore, please check with Sydney Torbett to ensure he/she is applying to the South Carolina Honors College.

Please go to the following link to access the recommendation form:

You have the option to upload a previously written letter on the form. Furthermore, if you have already submitted a letter of recommendation or evaluation form for this student through the mail, Parchment, or another electronic delivery system, it is not necessary to complete this form.

Thank you in advance for your time and thoughtful response.

Sincerely,
Undergraduate Admissions
