Have confirmation- thanks to Beth!

Here is the list of delays and one school closure. We are working with various associations and districts on compiling a list of school facilities that were damaged. It appears than most damage was minor (small leaks). Many of the problems we have run into with school closures this week and last were due to transportation with all the road and bridge closures.

Dorchester 2 – Givhans Alternative School flooded. Students have been moved to the ROTC area. District is acquiring relocatables for the students

Georgetown – All schools open with 2 hour delay. Some water damage to the two high school auditoriums

Richland 1 - all schools open tomorrow with 2 hour delay

Williamsburg – Expect to be open [tomorrow](#) with 2 hour delay

Got an informal response that is different from one in email below. I have from Molly that there is a 2 hr delay tomorrow, one school in Dorchester 2 closed due to flooding. SDE confirms all districts open tomorrow with limited delays.

Richland 1 website confirms delayed open consistent with SDE.
