Subject: Report

Katherine,

After I got off of the phone with you, I found out that Meredith had not taken the report over this morning like I was originally told. Meredith and I also spoke with Ted and decided that we would make any necessary changes and then just stamp the final report with Mr. Blume's signature. Call me whenever you get a chance so we can discuss the changes. I am heading out to lunch soon but will be back a little before 2.

Thanks,
