Nancy and Carol —

I've been in telephone contact with the Lt Gov's staff about the following arrangement. I have let Ms Cogdill know that OLLI has over 2000 members so a large crowd should be expected. I'm passing this on to you since I am sure your office will need to finalize arrangements, meeting space, etc. I think the time of day on the 27th can be adjusted somewhat. Also, Kevin has been engaged with many seniors over the past two decades, so he may have some specific questions about the OLLI crowd.

I am available to help further with this as needed.

Mr. Meyer, I'll get with our team early in the week and get back to you as soon as possible. Thanks for the invitation, and we're looking forward to it.

Danny

Kevin — Per our conversation, here is the relevant info.

The following are the dates that could work for the OLLI seniors using the Herring Center:

Friday.....Sept 22..as early as 1 and out by 5  
Monday....Sept 25..not before 3:15...could stay later than 5  
Wed.....Sept 27...same time frame as the 25th  
Thursday..Sept 28...same as 25th

The OLLI committee says; "We are hoping he can come and meet with the Senior Leaders Group Alumni and have about an hour to hear him speak on senior issues and then have a Q&A time. Then to give him more exposure, another hour with same format for all OLLI members. We will give him questions. If none of those dates/times can work, please get some that will and we can get with Nancy to see what we can do. While classes are happening, no space before 3:15. We can go into Oct and Nov, but we hope this can happen in Sept."

Kevin, the expectation regarding your time in the above paragraph is perhaps overly ambitious. I am sure that your suggestion bringing another expert would be well received as well.

Let me know if this fits your schedule. I can give you the needed contact person and If you need to know more about the organization, you can see their web pages focused on OLLI at:
