Hi Sam,

Hope you're doing well. Here is a link to the Governor's video message for the SCEMA conference, which you should be able to download: <https://www.dropbox.com/sh/ivfsekr8xj7w8co/AAD8vPHOlCA9ipfOG51pQr0Va/SCEMA.mp4?dl=0>

If you cannot get the video to work, please let me know, and I'll have the Governor's videographer work with you one on one. As always, please let us know if you need anything else.

Have a great day,

Rebecca
