Hi!

My name is Kendra Green. I came across a few brides in a group who have gotten married at some local state park's after doing some online research. We are DYING to find the perfect place for a simple outdoor micro wedding/elopement.. My fiancé and I, as well as family and friends, currently reside in Greenville, SC. You guys could be the PERFECT place for us to become husband and wife!

We are ideally looking for an outside wedding (with lots of nature views- greenery/trees, water, mountains, etc.) in September of 2021. (Preferably Saturday or Sunday).

I am interested to learn all about your options and what all you guys have to offer! We would like to know pricing information, if elopements are allowed- how many guests are the minimum and maximum for this, etc.

We look forward to hearing your response! Thank you so much. :)
