---

Hi Catherine,

Loriann is going to go through her phone history; if it isn't a blocked number, she should be able to track it down. She'll let us know.

Thanks for the follow up,  
Anne

Good Afternoon Anne,

This is a voicemail we received about the directed care program. She did not leave her phone number and it looks like our main phone sent it to the LGOA front desk and then it was forwarded to my phone. I tried to pull her number from our front desk phone but the number was for the municipal association and they didn't know who she was. It may have come directly to the LGOA and been forwarded to me.

Loriann, Can you check your call log from 10/26/27 around 11:57am and see what number you have please? Thank you.

I would like to call her back and clarify that we didn't make the decision and direct her to the AAA for assessment for whomever she knows that was effected.

Best Regards,  
Catherine McNicoll
