## Are Gun Restrictions Likely in 2017?

The hostility toward Second Amendment freedoms seen at the national level is just as evident in “red state” South Carolina’s State House as it is anywhere else in the country. The last several years, in fact, have seen the introduction of several bills intended in one way or another to curb Second Amendment rights.

[Here's an overview](#) of past anti-Second Amendment legislation, and what we can look for in 2017. [read more>>](#)
