Lt. Governor Bryant-

Hope you are well and had a great Memorial Day weekend!

A friend of ours, Mrs. Sherri Lydon, who is the current Assistant US Attorney for South Carolina is hoping to be appointed by the President as US Attorney for South Carolina. As you know, the USA is a political appointee who usually serves a four year term. It is our understanding that Senator Graham is favorable of the appointment of Mrs. Lydon to this position.

We would ask that you please contact Senator Graham's office on Mrs. Lydon's behalf as well. She will do a great job for South Carolina as US Attorney. She has vast experience and is highly respected. Thanks for your help and consideration.

Best-

Henry and Tracy
